**Sub: - Repatriation of DOT absorbed ITS Officers – Req.**

Sir,

During the discussions with the JAC earlier, it was assured by you that necessary action will be taken by the management to repatriate the DOT opted ITS officers as per the judgment of the Delhi High Court within the stipulated time.

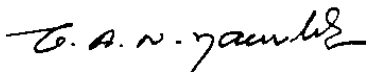

However, it is seen that the repatriation of the above officials are yet to be implemented. It is understood that the BSNL management is proposing to approach the court with a review petition, seeking more time for the implementation, on the plea that substitutes are not available.

Since the last few years, the JAC has been demanding the management for the repatriation and recruitment of sufficient number of officers to fill up the ensuing vacant posts. There has been unpardonable delay in the matter and hence the present unhappy situation.

However, any further delay in repatriation is completely untenable and unjustified. The United Forum of BSNL Absorbed Executive Associations vide its letter dated 21<sup>st</sup> November 2011 had already submitted to you how the repatriation could be effected without adversely affecting the organization and the services.

It is, therefore, urged that the repatriation be implemented without further delay to settle the issue once for all and put an end to the uncertainty existing for the last few years.

Yours Sincerely,

**V.A.N.Namboodiri
