Date: 16.06.2021

To

All Heads of Telecom Circle and  
Administrative Units of BSNL

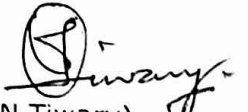

**Sub: Forwarding of applications for Selection/Deputation purpose-regarding**

In reference to this office letters no. 400-122/2016-Pers.1 dated 03.08.2018 and BSNLCO-PER1/13(11)/6/2020-PERS.1 dated 04.09.2020, regarding forwarding of applications for deputation/selection purpose including online applications through PESB, it was requested to send verified copies of applications well in time for forwarding the same to nodal agency. However, it has been observed that applications are still being received without proper verification from Circle and during last hours or after due date of submission of applications to PESB which makes it difficult to process/forward the same to PESB.

In order to streamline the process so that this office gets sufficient time for verification and processing the case for approval of Competent Authority, before forwarding the same to nodal agency without delay, it is once again reiterated that the following instructions may be strictly adhered to while forwarding/applying for deputation/selection post in other organizations

- a. All the applications for Deputation/ Selection post from absorbed/ unabsorbed officers of BSNL are to be forwarded after proper verification from respective circle. It may please be noted that deputation of BSNL employees to other organization is presently banned.
- b. Officers should apply through On-line through PESB website in such a way that this office receives duly verified hard copy of application atleast 10 working days in advance of the last date of submission of application in case of field officers and for officers of BSNL CO it should reach this office atleast 15 working days in advance of the last date of submission of application.
- c. In case the application is not received timely, it will not be forwarded online/ offline and the applicant himself will be responsible for not forwarding of his online application to PESB or late submission of his offline application.

This issues with the approval of the competent authority.
