Sub: Delegation of powers to looking after CGM's to handle with disciplinary/vigilance Cases -reg.

Respected Sir,

We would like to draw your kind attention to the non-settlement of long pending disciplinary cases in Telecom Circles. There are several vigilance cases pending for disposal at Circle level but since the status of CGMs are of '**Look After**' in some Circles and they don't have statutory powers to decide the pending disciplinary cases, That's why such **disciplinary/vigilance** cases are badly suffering in wait of disposal. Many effected officials are on the verge of retirement. If the cases are not settled well in time the concerned officials will suffer a lot & their interest will be harmed- where the CGMT's are looking after charge.

We would, therefore, request you to kindly delegate powers to looking after CGMs to decide pending vigilance / disciplinary cases at the earliest to avoid delay and suffering of executives.

With kind regards,

Yours Sincerely
-sd-
