Hon’ble Sir, we would like to draw your kind attention towards the fact that after extending the financial support from the GOI under your leadership in 2019 in the form of first revival package, the BSNL has turned into EBITDA positive since last three financial years. We are very much confident that this blissful second revival package worth Rs1.64-trillion will certainly build strong BSNL & Strong Nation which strengthen the rural connectivity in National Telecom Grid with better quality of services and fulfill the aspirations of Digital India Programme with the incorporation of 4G/5G services in BSNL.
