**Subject Request for grant of relaxation in marks to the candidates appeared in the JTO LICE held on 26.05.2019 for the Vacancy Year 2017-18 due to very poor results-reg.**

**Respected Sir,**

We would like to draw your kind attention on the above cited subject. The JTO LICE under 50% quota, for the Vacancy Year 2017-18 was held on 26.05.2019. The result was declared on 12.12.2019. It is constrained to bring to your kind notice that only 154 candidates have got passed, out of the total 741 candidates appeared in the LICE i.e., 21% only of the candidates appeared in the exam. It is also a matter of serious concern that not even a single candidate was passed in as many as 5 circles and the result is also very poor in respect of SC/ST candidates.

We feel that, the purpose of holding any Internal Competitive examination should not aim in failing most of the candidates. It is not out of context to mention that most of the 741 candidates appeared in the JTO LICE held on 26.05.2019 are Engineering Graduates. JEs, hurdling through, together with their responsibilities in their respective job, appeared for the LICE with a dream to touch the Executive chain but due to the sequential unfortunate incidents with Vacancy Year 17-18, aspirants has disparaged their will power. Concerning with the facts, the unforeseen incidents related with the process are depicted as hereunder.

1. Firstly all the aspirants were called for the exam on 28th April 2019 but due to some uncanny reason, the said exam didn't start rather a further detainment of one hour and astonishingly postponed for one month i.e., to 26th May 2019.
2. Then the exam was conducted on 26<sup>th</sup> May 2019 and the Question Paper contained with **very high standard of questions, combined with a large number of out of Syllabus questions and the questions were with wrong/ambiguous or multiple answers.**
3. It is also pertinent to mention here that there are 22 questions from out of Syllabus, 10 questions having wrong answers and 5 questions having wrong/ambiguous or more than one answer. Thus total disputed questions are 37 in numbers.
4. But to our dismay, the Review Committee of BSNL Corporate Office considered only 22 questions under the following merits-
  - a. Wrong/ambiguous questions - 03 Nos (Award full marks to all candidates).

- b. More than one correct answer in a question – 10 (ignored the questions and brings down the total marks).
- c. All the answers are wrong for a question- 02 (award full marks to all candidates).
- d. Out of syllabus questions – 01 (award full marks to all candidates).
- e. Only key change – 06 (option changed).

**It is also observed that the questions with more than one answer are ambiguous one and as the exam carries the format of negative marking and the Review Committee has not taken proper care to analyze the ambiguous answers. Review Committee has not considered the 22 out of syllabus questions and awarded the grace marks to only one question which is against the Natural justice.**

It is also important to note that all the candidates have entered through a highly Competitive Exam for the Direct Recruitment to the Cadre of JE in BSNL. In Post-VRS Scenario as on 01.02.2020, the posts of JTOs are vacant to the tune of 14710. Out of that the 50% vacancies available for LICE quota are 7391. However, through the above said LIC Exam only 154 candidates have passed i.e., only 2.08% vacancies can be filled up.

The Company is also badly in need of good number of JTOs, since large number of Executives are retiring on 31.01.2020 under VRS-2019. Further, the Company is looking towards reshuffling and restructuring of the employees in post VRS scenario. JTOs and JEs are going to be the most needful work force in the field to ensure fault free services to the customers, for earning more revenue and Financial Stability of the Company.

**In view of the foregoing and considering all the above facts and figures, we would earnestly request your good self to kindly intervene in the matter and cause to issue necessary instructions to the officers concerned to provide relaxation of 10% marks in Group-A, 15% marks in Group-B and 15% marks in aggregate so as to render Natural justice to the affected candidates and to boost their morale in the current situation of BSNL, where these young energies will make the difference.**

**We also wish to submit that accepting our proposal by the Management will be a win-win situation for both the Company as well as the Candidates who appeared in the JTO LICE held on 26.05.2019.**

With kind regards,

Yours Sincerely,  
-sd-
