Subject: Promotion in the cadre of EE (E) and SDE (E) by up gradation of posts – Our request regarding.

Respected Madam,

On the subject cited above, we would like to extend our sincere thanks for conducting the CPCs for promotions in various cadres at a fast track before implementation of CPSU cadre hierarchy. In this regard, it is submitted that the Executives from Electrical wing are the most sufferers which need to be highlighted here.

- As on today, the total sanctioned post in JTO (E) cadre is 850 and the working strength is 410 after considering the recently promoted JTO (E)s. So, there are nearly 440 posts are vacant in JTO (E).
- In the grade of SDE (E), promotions have been recently issued up to 1996 batch only and still the JTO (E)s from 1997 are waiting for SDE (E) promotion.
- The EE (E) promotion has been covered up to 1999 batch and still the DoT promoted SDE(E)s (2000 batch) onwards are waiting for EE (E) promotion.

The above status shows that the career progression in this wing is much laggard compared to the other streams. Because of this, the executives of Electrical wing are very much distressed.

For maintaining equality among the fellow streams, it is requested that benefit of upgraded posts should be extended to these deprived cadres, by upgrading the sufficient posts to promote SDE(E) to EE (E) and JTO (E) to SDE (E) cadres.

With kind regards,

Yours sincerely

(Prahlad Rai)
General Secretary
