**Sub.:- Calling of options from the Executives in the grade of EE/AGM(Elect.) for posting in deficit circles**

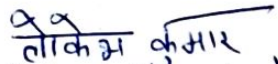

In view of shortage of EE level Executives in some of the Circles particularly Bihar, UP(E). Gujarat and J&K, difficulty is being faced to achieve the targets assigned by BSNL CO/DoT.

Accordingly, options are invited from the Executives working in the grade of EE(Elect.) on regular basis to work in the above mentioned Circles. The options duly recommended may be send in e-receipt. The last date for submission of options is 30.08.2024.

In case no option is received, then the Executives having long stay in the Circles shall be posted as per administrative requirements.

The Executives who are yet to complete 3 years in a Circle need not send options for the above posts.

This is issued with the approval of CGM(EW).
