Subject: **Nightmare in Kashmir valley – Steps to restore confidence of the employees - Reg.**

Respected Sir,

You are aware that the Kashmir valley suffered a nightmare, the worst in last 109 years in the recent past due to devastating floods. Almost all low laying areas were submerged in flood & water about 10-20 feet. Exchange staff was confined in their equipment and in their quarters for 5 days without any food and other essential commodities.

The staff of J&K put their utmost and restored mobile, Broadband and Landline services in part of Srinagar area.

Vide this Association letter dated 17.09.2014, we have requested to initiate some immediate measures on HUMAN GROUNDS for the best interest of BSNL and its employees. Out of which one was to grant one time relaxation in tenure period as reduction by at least 6 months of the staff presently posted in affected area as these officials have already suffered a lot of hardship & mental trauma.

In this regard the executives posted in Kashmir valley from other parts of the country have submitted representations (total 18) to reduce the tenure period at Srinagar from 1 ½ years to 1 year.

It is requested to kindly consider these representations as this action will go long way to restore confidence of employees and motivate them to serve BSNL even better.

Thanking you sir,

Encl: As above

Yours sincerely
