Subject: Request for Special Insurance Coverage for the BSNL employees who are maintaining essential Telecom Services throughout India against COVID-19 - reg.

Respected Sir,

We would like to draw your kind attention on the above cited subject. In this regard, we wish to submit the following suggestions for your kind consideration.

In the background of break out of COVID-19, some of our Colleagues in the Technical Wing are working as front liners to maintain essential Communication Core Net Work throughout India, our BSNL Executives and Non-Executives are working in the Customer Service Centers and so many Accounts Personnel are working everyday to meet out different Targets set by the BSNL Head Quarters, New Delhi including Accounts Closure even there is a complete Countrywide Lock down for the past 21 days.

In this scenario, as a responsible Association, we would like to propose that the BSNL Executives and Non-Executives actively engaged in the day -to-day maintenance of Telecom Net Work, Customer Service Centers and Accounts Personnel attending Office to complete the targeted work may be covered under Special Insurance Coverage to the tune of Rs.50 Lakh. This Insurance Cover may be extended till the Lock down is totally lifted. This will certainly boost up the morale of the front line Executives and Non-Executives and on the part of the BSNL Management it will reflect the pro-worker attitude.

Sir, We would, therefore, requests your good self to kindly consider the proposal on Humanitarian grounds.

With kind regards,

Yours Sincerely,

(S. Sivakumar)

General Secretary
