Dated: 19th April, 2021

Dear Shri Maitra,

Achievement of various parameters against the assigned targets in respect of Enterprise Business-'Gold' had been deliberated and monitored in Corporate Office throughout the Financial Year 2020-21. It gives me immense pleasure to observe that West Bengal Circle has acquired business worth Rs. 148.40 Cr against the annual assigned Stage-IV target of Rs. 54 Crs, i.e., around **275 %** of the target and the Circle is **ranked No. 1** amongst all the Circles. The Circle has also surpassed its assigned Stage-I and New Account Penetration targets by a big margin. This has become possible only due to your sincere efforts, able guidance, close monitoring and the business acumen.

Shri Manik Pramanik, GM (EB), West Bengal along with his team has done a commendable job by securing business in spite of tough competition in the Telecom sector and Covid pandemic badly affecting the business during whole of the FY. West Bengal Circle has also been in a position to book substantial amount of *New Business from the new customers and business from private sectors*. The Circle has thus performed outstandingly well.

But, at the same time, I am of the strong opinion that extra focus is required in areas like IDC business, business through tenders and port-in business. I request you to bestow your attention to explore additional business in all these areas in the FY 2021-22, for further improvement.

I, sincerely, convey my appreciation for exemplary efforts made by you and your team in achieving the various assigned EB targets. You are also requested to convey the appreciation to all the members of your team who had been instrumental in all such achievements.

I am quite sure that you and your team will not only continue to keep the same tempo in the FY 2021-22 but put in extra efforts to ensure that the Circle substantially surpasses all the assigned EB targets and sets new records.

With best wishes,

Yours sincerely,

(P.K. Purwar)
