Subject: Volunteers to work in J & K Circle for restoration of Telecom Services-Reg

Respected Sir,

As you know with the untiring and dedicated efforts of our J & K Circle Executives & Non-Executives the Telecom Services in mobile segment were immediately restored during worst flood in J & K state recently. But the landline services are yet to be restored due to water logging problems wherein our network has been badly destroyed during flood. For the restoration of these telecom services our executives who have already served in J & K Circle & some more are volunteering their services for early restoration of Telecom services in J & K Circle for one or two month's period.

The staff already working in J & K Circle also need immediate help of material, Equipment and some amenities in day to day work and life.

We would therefore request you to kindly arrange to issue necessary order for volunteers to serve in J & K Circle immediately to restore the telecom services and necessary help to the working staff in J & K Circle.

With Kind regards

Yours Sincerely
